

Slim Jim® Wall-Mounted Container

7822

7822 Slim Jim® Wall-Mounted Container

Attractive design blends with most decors.

- Sturdy, large capacity refuse receptacles.
- Resists denting, chipping and peeling.
- Wall-mounting the container keeps floors clear for easy cleaning.
- Wall-mounting keeps the container out of pedestrian traffic and allows for floor cleaning.
- Container is CSFM (California State Fire Marshal) and FM (Factory Mutual) approved. The Profile container must be mounted to the wall to comply with the Factory Mutual test standard. If container is mounted properly, it will hold approximately 34 kg.
- This unit is not designed to be used outside as it contains no UV protection.
- This unit is not designed to be mounted on a pole, the mounting bracket needs to be mounted on a flat wall.
