

3M™ Refine™ 300 Premium Eyewear

Sized and styled for smaller face shapes, women don't have to settle for bulky oversized eyewear anymore.

The appealing, well-fitting slim frame design with padded adjustable nose bridge will help increase wearer acceptance and compliance.

Available in 2 lens options; Teal frame design in a Clear PC lens and a Mocha frame design in a Bronze PC lens finish. Both versions come with our premium anti-scratch, anti-fog coating.
