

Datasheet

15m Case Reel

RS Stock number 889-2488

Description:

A compact, easily portable solution with innovation flowing throughout its design. Fixing points in the base allow the reel to be mounted for storage or while in use. The socket includes a power switch and LED indicator to allow you to control the power where you are working. This is perfect for home, garden or workshop, ideal for DIY. For your additional safety, a thermal overload cut-out is integrated in to the reel that cuts the power if the reel becomes warm due to overloading when reeled.

Features

- » Robust case reel, with four shutter sockets
- » Safety thermal cut-out
- » Power on/off switch
- » Power LED indicator

Specifications:

Standards:	BS EN 61242. ASTA Approved
Maximum Load:	720W/240V - Fully Wound 3120W/240V - Fully Unwound
Switch:	Double Pole
Cable length:	15m
Cable Size:	Cable Size - 1.25mm ² (HO5VV-F)
