 **SENNHEISER**

Cool sounds, attractive street style.

Leave your house and take an extra portion of your favourite sounds with you. Or just relax and enjoy funky beats from your own hi-fi system at home. The new HD 400 models from Sennheiser offer all that – and a lot more besides. Their feelgood sound is accompanied by new, stylish designs. The HD 419, HD 429 and HD 439 feature a punchy bass, while the HD 449 guarantees a detailed, balanced sound image.

Made for

iPod

iPhone

iPad

HD 449 Sennheiser's HD 449 stands out from the crowd with its striking, kink design and high-quality audio reproduction. Delivering detailed sound and clarity, both indoor and outdoor with its advanced acoustic system, these headphones are guaranteed to please. Its design ensures a comfortable fit around your ears and isolate against ambient noise. Completing the package are gold plated plugs, extension cable and adaptor for excellent connectivity anywhere.

- Advanced acoustic system with powerful neodymium magnets and lightweight diaphragms for a lifelike stereo sound experience
- Closed circumaural headphone design isolate against ambient noise
- Ergonomic design provides a comfortable fit
- Gold plated plugs and 6.3mm stereo adaptor for excellent connectivity, with home Hifi equipment
- Carrying pouch and extension cable for protection and added length
- Optimised for portable audio including MP3, CD players, iPad, iPod and iPhone (iPad, iPhone and iPod are trademarks of Apple Inc., registered in the U.S. and other countries.)
- 2-year warranty

HD 439 For a combination of street style and prowess, the HD 439 closed-back stereo headphones are the choice. These headphones offer you the world of audio with a bold and revolutionary design, including a chrome inner lining and black mesh turbines. Delight in an enhanced and outstanding bass performance. Featuring two detachable single-sided cables, you will be able to find the cable length that distinguishes you apart from others. Make a firm statement with the HD 439 and feel the difference.

- Powerful neodymium magnets for an enhanced bass experience
- Closed circumaural headphone design isolate against ambient noise
- Ergonomic design provides a comfortable fit
- Choice of two single-sided cables for flexible length and convenience
- Optimised for portable audio including MP3, CD players, iPad, iPod and iPhone (iPad, iPhone and iPod are trademarks of Apple Inc., registered in the U.S. and other countries.)
- 2-year warranty

HD 429 The HD 429 features a powerful bass response provided by high-output neodymium magnets. In addition, these headphones display an innovative and ergonomic, silicone design, providing durability and a comfortable fit, every single time. Their closed circumaural headphone configuration effectively isolate against ambient noise, while the single-sided cable reduces tangling. Stand out and be different with the audio quality you deserve.

- High-output neodymium magnets for stereo sound with smooth bass response
- Closed circumaural headphone design isolate against ambient noise
- Ergonomic design provides a comfortable fit
- Single-sided cable for freedom of movement
- Optimised for portable audio including MP3, CD players, iPad, iPod and iPhone (iPad, iPhone and iPod are trademarks of Apple Inc., registered in the U.S. and other countries.)
- 2-year warranty

HD 419 The HD 419 headphones are a fusion of attractive aesthetics with a powerful punchy, dynamic bass. With its closed circumaural design, you can expect efficient isolation of ambient noise making it friendly in all environments. In addition, their special single-sided cable, eliminates tangling, ensuring comfort and usability. The HD 419 is an ideal companion for your all-day audio pleasures.

- Powerful neodymium magnets for stereo sound with powerful punchy bass
- Closed circumaural headphone design isolate against ambient noise
- Single-sided cable for freedom of movement
- Optimised for portable audio including MP3, CD players, iPad, iPod and iPhone (iPad, iPhone and iPod are trademarks of Apple Inc., registered in the U.S. and other countries.)
- 2-year warranty
