

Labelling with a personal touch

With 179 built-in characters and symbols, a selection of the more popular barcodes, 5 font sizes and a variety of styles, the P-touch 220 is everything you need to create labels that are not only clear and easy to read but also have a distinctive, individual touch.

Wide range of colours

Actual tape colours may differ from the printed samples shown.

P-touch 220

Hand-held labelling system

Bring a sense of order to your life in a splash of colour, with a Brother P-touch 220 labelling machine. Key in your design and a professional label is in your hands at the touch of a button.

Brother's unique laminated labels are weatherproof and scratchproof, making them highly durable. They can withstand sunlight, moisture, oil and friction, making them suitable for many industrial applications.

Built-in Barcodes

In retailing and manufacturing environments the P-touch 220 is proven as the professional's choice, with its built-in barcodes.

The Brother P-touch 220 comes with a robust, heavy duty case for added protection whilst carrying or storing.
