

Converter Cable

CC-4M34M

1 x 4-Pin Molex to 3 x 4-Pin Molex
Power Converter Cable

Features & Specifications

The CC-4M34M Converter Cable converts one 4-Pin Molex Power Supply power cable to three 4-Pin Molex Power Cables.

This is compatible with any Power Supply with one spare Molex Power Connector and will power any three devices requiring one 4-Pin Molex Connection.
