

Male GST18i 6 pole connectors with strain relief					
Part Number	Colour/Coding		Locking	Cable Entry	Hood Profile
34.362.0210.1		Black/Grey	Male Locking	8.5-10.5mm	Low
34.362.0210.2		Black/Blue	Male Locking	8.5-10.5mm	Low

Female GST18i 6 pole connectors with strain relief					
Part Number	Colour/Coding		Locking	Cable Entry	Hood Profile
34.361.0110.1		Black/Grey	Female Locking	8.5-10.5mm	Low
34.361.0110.2		Black/Blue	Female Locking	8.5-10.5mm	Low

### Gender

Male

Female

Males have a solid metal pins in the plastic 'barrels'  
 Females have power on them so you would expect to find them on LCM's and power distribution boxes  
 Males would be found on devices i.e. mounted on a light fitting or on a lead connected to the fitting

### Colour Configuration

Blk/Blue

Blk/Grey

Different colours have different keying/coding  
 eg. a blk/blue will not plug into a blk/grey!

### Hood Profile

Standard Hood  
(25.2mm)

Low Profile Hood  
(21mm)

Low profile hoods available for more compact applications

### Locking

Female Locking

Male Locking

Standard MALE LOCKING has a latch on the front of the lid  
 Standard FEMALE LOCKING has rectangular loops on the front of the lid
