Rhino™ 5200

Advanced Labelling Tool

## Outperforms industrial labellers costing twice as much.

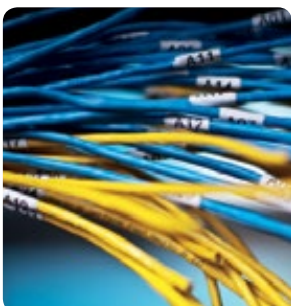

### Leave any jobsite looking better than you found it.

Rugged, versatile and packed with time-saving features, the DYMO Rhino 5200 meets all ANSI and TIA/EIA-606-A labelling standards. Time is money, and exclusive one-touch “Hot Keys” save you both on every job. Just press one “Hot Key” to automatically size, space and format text for perfect patch panel labels – then press another to print matching cable flags or face plate tabs, without retyping!

It's just as easy to print module and fixed-length labels, horizontal and vertical wire wraps, terminal and 110 blocks and much more. Print Code 39 and Code 128 barcodes. Access 100+ industry symbols, fractions and punctuation marks with a few quick keystrokes. Add the optional quick-charging lithium-ion battery for uninterrupted productivity.

Hard Case Kit  
(see back for details)

### DYMO | Rhino 5200 features:

- 1 **Meets all ANSI and TIA/EIA-606-A** industry labelling standards
- 2 **Exclusive one-touch “Hot Keys”** automatically size, space and format label text for electrical and patch panels, terminal and 110 blocks, wire and cable flags, horizontal and vertical wraps, vertical and fixed-length applications
- 3 **Prints Code 39 and Code 128 barcodes** on 19mm-wide labels – ideal for asset management
- 4 **Uses DYMO Industrial labels** with chemical-, heat- and UV-resistant materials; also prints directly on heat-shrink tubes.
- 5 **Large 14-character, two-line backlit display**
- 6 **100-Label Memory** for storing commonly used labels

Up to  
19mm

24mm label widths not for use with the Rhino™ 5200

<b>Labels that stick and stay stuck.</b> DYMO Industrial labels are tough– jobsite tested and UL recognised. Labels won't smear or fade and are built with industrial-strength adhesives to resist moisture, UV light and extreme temperatures. Whether you are labelling to OSHA, ISO and ANSI colour standards or labelling in harsh conditions, DYMO Industrial labels have you covered. DYMO Industrial labels are designed to work with Rhino and LabelManager printers and to perform on a variety of surfaces. <a href="http://www.dymo.com.au">LEARN MORE: www.dymo.com.au</a>	<b>VINYL</b> Length 5.5m - UL Recognised Component to UL969 - RoHS compliant 	<b>BLACK ON WHITE</b>	-	SD18443	SD18444	SD18445	-

**RHINO 5200**

Code: SD841460  
Barcode: 3501170841464

**Box includes:**

- Rhino 5200 printer
- 19 mm white vinyl tape
- Quick reference guide
- User manual on CD-rom

**Product specifications:**

- Runs on 6 AA batteries or optional rechargeable lithium-ion battery
- 1 year limited warranty
- Unit weight: 898g
- Units per master carton: 4
- Master carton dimensions (LxWxH): 344 x 299 x 194 mm
- Master carton weight: 3.71 kg

**RHINO 5200 HARD CASE KIT**

Code: SD841440  
Barcode: 3501170841440

**Hard case kit includes:**

- Rhino 5200 printer
- User manual on CD-rom
- Quick reference guide
- 19 mm white vinyl tape
- 9 mm white vinyl tape
- Rechargeable lithium-ion battery pack
- AC adaptor

**Product specifications:**

- Runs on included lithium-ion rechargeable battery with AC adaptor or optional 6 AA batteries
- 1 year limited warranty
- Unit weight: 2.5kg
- Units per master carton: 3
- Master carton dimensions (LxWxH): 345 x 383 x 383 mm
- Master carton weight: 8.78kg
