

BC Impaktor/30 Bit-Check

Hex-Plus

IMP-KTOR
Diamond

1 Impaktor holder with retaining ring, ring magnet, 23 Impaktor bits and 6 standard torsion bits. The Impaktor technology ensures an above-average service life even under extreme conditions thanks to a best-possible utilisation of the material properties and optimally designed geometry, particularly suitable for use with conventional impact drivers. Holder equipped with a ring magnet to easily hold longer and heavier screws, also ideal for above-head work. The rough diamond coating of the bits reduces the danger of any slipping out of the screw head due to the enhanced frictional resistance
