Rittal Frame Window Kits

Frame Window kits

Rittal window kits can be installed in Rittal enclosures of suitable size. Window kits include all necessary mounting hardware. Oil-resistant, foamed-in-place gaskets ensure a tight seal around the entire window and enclosure opening.

Material/surface finish:

Carbon Steel: 14 ga, painted
RAL 7035 (light grey)
Stainless Steel 304: 14 ga, brushed
Stainless Steel 316L: 14 ga, brushed

Protection rating:

Carbon steel complies with NEMA 12, 3R, 4
Stainless steel complies with NEMA 12, 3R, 4X

Note:

Allow for clearance of gaskets, gasket retainers, door stiffeners, print pockets, door handles, lock rods, and other parts attached to the door or cover when you determine the size of the window kit you require.
