

Datasheet

RS Pro Fibre Optic Connector, 2.5dB Insertion Loss

RS Stock No: **425-8641**

Product Details

RS Pro fibre optic connector is made of nickel plated brass and it has 2.5 dB insertion loss. This high precision connector is designed to couple end-terminated polymer fibre leads through bulkheads to give optical continuity into machines, instruments, equipment racks, rooms, etc.

Features and Benefits

- Insertion loss of 2.5 dB
- Made of nickel plated brass
- It is designed to couple end-terminated polymer fibre leads
