

## Datasheet

# RS Pro 565 07 S 7W Lighting Controller Switch, Surface mount, 220 V

RS Stock No: **257-105**

## Product Details

RS Pro 565 07 S 7 W lighting controller switch has a voltage rating of 220 V. This surface mount controller automatically turn lights on/off in response to changes in ambient light levels, primarily the transition from day to night and vice versa. The sensor is designed such that four thresholds are actually monitored namely dusk, the middle of the night, dawn and the middle of the day.

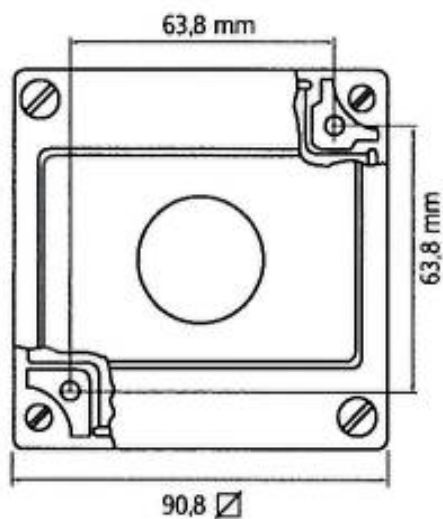

## Features and Benefits

- Time delay prevents intermittent switching
- Adjustment by potentiometer
- Surface mount

**Specifications:**

Controller Type	Switch
Current Rating	10 A
Length	90.8 mm
Mount Type	Surface
Power Consumption	7 W
Range	15 to 20 m, Adjustable
Sensor Type	Daylight
Time Delay	30 s
Voltage Rating	220 V
