

Product Name: Bulk Packed Premium 12volt Solar Panels – 5wp, 10wp, 18wp, 28wp, 43wp, 60wp, 80wp, 120wp, 150wp and 195wp(24v only)

Part Number: STP005BP, STP010BP, STP018BP, STP028BP, STP043BP, STP060BP, STP080BP, STP120BP, STP150BP, STZXS195D24

- Premium crystalline solar panels manufactured by Solar Technology International
- Toughened glass, aluminium frame, multi layered EVA rear, junction box
- 10 year panel integrity warranty and 20year performance warranty (note STZXS195D24 has 25 year performance warranty)*
- STP005BP and STP010BP have an in built blocking diode to prevent battery drain
- Perfect for OEM's incorporating solar PV panels into products, structures or other volume users looking for a best price solution.
- Panels supplied in bulk packs of 5 units for the 5wp to 80wp range and in packs of 2 for the 120wp to 195wp range

Catalogue Description: These solar panels are made to the highest quality standards of pv module production. All have achieved IEC61215, TUV quality certification and the STZXS195D24 has MCS accreditation for accessing the UK Feed in Tariff when used in a grid connected installation.

Technical Description:

See Data Sheets:

- *Solar Panel Datasheet – all 12v panels from 5wp to 150wp*
- *ST ZKS-195D-24 – 195wp, 24v solar panel*

*****Cell performance warranty states that at 20 years the cell output will be no less than 80% of new performance values – i.e the cell degradation rate will be no greater than 20% in 20 years**
