# RS Pro Telephone Wipes, 150 x 140mm, Box of 100

## Product Details

### Telephone Cleaning Sachets

A paper wipe which is impregnated with a unique blend of isopropyl alcohol, purified water and an antibacterial agent. This wipe is ideal for cleaning telephone handsets, answering machines, and fax machines etc. Handsets should be cleaned regularly to prevent the spread of germs. The cleaning wipes also leave the handsets with a fresh and pleasant fragrance.
