

## Datasheet

# 10m Fibre Optic Cable Assembly Connector A

RS Stock number [535-7430](#)

### Specifications:

- |                           |                        |
|---------------------------|------------------------|
| • Communication Channels: | Duplex                 |
| • Connector A:            | ST                     |
| • Connector B:            | ST                     |
| • Core Diameter:          | 62.5/125 $\mu\text{m}$ |
| • Fibre Type:             | OM1                    |
| • Length:                 | 10m                    |
| • Propagation Mode:       | Multi Mode             |
| • Sheath Colour:          | Orange                 |
