

# Datasheet

Name: **PIR sensor luminaire**  
 2x26W TC-DE/G24q-3 220-240V 50-60Hz  
 Type: 796-1860

Description: Equipped with a PIR sensor. The luminaire can also control other luminaires. Ceiling installation only. All PIR luminaires are equipped with an electronic ballast (High Frequency).

## Technical specification

Colour:	White
Material:	Polycarbonate
Electronic control gear:	x
Enclosure class:	IP44
Impact resistance (J):	IK02
Light source:	2xTC-DE 26W/G24q-3
Operating frequency (Hz):	50-60 Hz
Rated voltage (V):	220-240 V
Weight (kg):	2,205 kg
Dimensions (mm), diameter x height:	400x127 mm
Recessing dimensions:	Ø380x80 mm
