

At a Glance

The FX-83GTPLUS offers you additional functions such as Verify, Prime Factorisation and Recurring Decimal.

Main Features

Natural Textbook Display	Yes
Table of a function	Yes
Statistical Data Entry	List-based
Multi replay	Yes
Slide on hard plastic case	Yes
Ideal for Keystages 3 & 4 and above.	Age 11-16+
Factorisation into prime factors	Yes
New calculation priority sequence	Yes
Verify function	Yes
Recurring decimal	Yes
Random Integers	Yes

Specifications and designs are subject to change without notice

FX83GTPLUS - Scientific Calculator

Technical Specifications

Weight (g)	110
Natural Textbook Display	Yes
Keystages Suitable For	3, 4, & above
Suitable for (ages)	11 plus
Battery Life	17,000 hours continuous display of cursor
Display	TwinLine LCD DOT MATRIX
Keyboard material	Plastic

No of functions	252
Mantissa + EXP	10+2
Case	Slide-on
Memories	9
Parentheses	24
Physical constants	No
Multi-replay	Yes
Reset	Yes
Degrees	Yes
Radians	Yes
Gradians	Yes
%	Yes
Fractions	Yes
Trigonometrics (SIN/COS/TAN)	Yes
Logarithm	Yes
Exponents	Yes
Reciprocals	Yes
Degrees/minutes/seconds	Yes
exponential regression	Yes
Negative Indicator	Yes
Hyperbolics	Yes
Table of a function	Yes
Engineering Symbol Calculations	No

Expression editing	Yes
Backspace/delete	Yes
FIX/SCI/NORM	Yes
Logic Operations	No
DEC/HEX/BIN/OCT conversions	No
square root	Yes
Numeric Differentiation	No
Numeric integration	No
Formula Solver	No
Equation Solver	No
Auto power off	Yes
Metric / Imperial Conversions	No
Matrices	No
Roots & powers	Yes
Vectors	No
Factorials	Yes
Combinations	Yes
Complex numbers	No
Permutations	Yes
Coordinate conversion	Yes
Standard deviation	Yes
Logarithmic regression	Yes
Power regression	Yes
Quadratic regression	Yes

Inverse regression	Yes
Random numbers	Yes
Normal Distribution	No
Program Storage Areas	No
Total Program Memory	No
Statistics Data Editor	List-based
Linear regression	Yes
Scientific Constants	No
Dimensions (mm)	13.7 (H) x 80 (W) x 161 (D)
