

Datasheet

RS Pro Straight Cable Mount UHF Connector, Solder Termination, URM 43

RS Stock No: **546-2908**

Product Details

RS Pro cable mount UHF connector in a straight orientation, has a solder termination for easy connection. This connector meets MIL specifications with high quality materials and PTFE insulation. The non-constant impedance design is suitable for use up to 500 V of peak voltage rating and up to 500 MHz frequency with a diminished performance.

Features and Benefits

- Cable mount UHF connector to MIL specifications
- High quality materials and PTFE insulation
- In a straight orientation
- Solder termination

ENGLISH

Specifications:

Body Orientation	Straight
Cable Type	URM 43
Mounting Type	Cable Mount
Operating Frequency	500 MHz
Termination Method	Solder
