RS Pro Orange General Purpose Latex-Coated Polycotton 7 - S

RS Stock No: **778-2513**

Product Details

RS Pro general purpose gloves in orange colour, are reusable gloves that come with polycotton latex-coated material of size 7 - S. These gloves have natural latex, which provides good elasticity for comfort and flexibility. The gloves feature textured wrinkle latex palm coating for good grip and slip resistance. They are perfect for construction sector, general maintenance, logistics, transport and distribution. The gloves meet EN388 2142 standards.

Features and Benefits

- Natural latex provides good elasticity for comfort and flexibility
- Seamless liner ensures comfort
- Textured wrinkle latex palm coating for good grip and slip resistance
- Waterproof on palm
