Only a very small number of users may be sensitised to this ingredient in the glove and hence may develop irritant and/or allergic contact reactions.

#### Reach Regulation 1907/2006

For more information, please consult the REACH statement on the Ansell website

### Properties

- Excellent dry grip
- Very good comfort
- Chromium free and Very good abrasion resistance
- Oil and dirt repellent

### EN Test Data

#### Abrasion resistance:

Performance level 3

#### Blade cut resistance:

Performance level 1

#### Tear resistance:

Performance level 1

#### Puncture resistance:

Performance level 1

### European conformity

Gloves conform to the requirements of the European Directive 89/686/EEC and to the European standards EN 420:2003 + A1:2009 and EN 388:2003

They are categorised in "Intermediate Design" (= Protection against intermediate risks).

EC-Type Examination Certificate for the final product by  
Centexbel  
Technologiepark 7  
B-9052 Zwijnaarde
