Soldering Iron For DS90

Specification:

Product name : Soldering iron handle

Fit for : DS90 soldering station

Rated Power : 90W

Material : Plastic , Rubber , Metal , Stainless steel , silver alloy

Input voltage : 220V

Heater impedance : 1.5-2ohm

Handle size : 22.7*2.1cm Total Length :1.2m

Color : Black , Red

Weight : 113G

Package Content : 1×soldering iron handle

Soldering Iron
