

Deb® Ultra Wipes

Powerful hand cleaning wipes specifically for removing paints, inks, resins, adhesives and most other print and paintshop contaminants

Usage: Use without water whilst on the move or at the work point. Remove one wipe and apply direct to the hands.

Method of Use: Use a single wipe direct onto soiled hands. Rub well until soiling is removed.

Features & Benefits

Highly Effective - Impregnated with an advanced hi-tech formulation liquid, that includes Dibasic Ester, to quickly and safely remove printers inks, synthetic, 2 pack and cellulose paint, base coats and lacquers, body fillers, adhesives and sealants plus most other print and paintshop printers inks soilings.

Powerful - Tough, extra large wipes are strong and absorbent, acting quickly and effectively leaving no sticky after-feel.

Perfumed - Pleasant citrus fragrance leaves the skin smelling fresh after use.

Conditioning - Contains glycerine, a highly effective moisturiser which leaves the skin feeling conditioned after use.

Safe - Regular use will prevent paintshop soilings curing to the skin; the kind alternative to thinners or aggressive hand cleaners that contain harsh substances or abrasives like pumice.

Convenient - The handy, easy to use tub can be kept at the work point and used throughout the day with no need for water.

Hygienic - Stored in a sealed container to protect from contamination and ensure each wipe is fresh when used.
