

Datasheet

PMP cylinder w/printed graduations,250ml

RS Stock number 618-9042

- Full range of ISO6706 graduated cylinders in transparent PMP
- Remain in tolerance after autoclaving at 121°C
- Enhanced pin sharp blue printed graduations
- Stable hexagonal bases with non-slip anti-suction feature
- S.P.I. recycling codes and batch code on each cylinder
- Very easy to read as liquids have virtually no meniscus in plastic cylinders
