Synopsis

"Exam Success: IEE Wiring Regulations 2382-10" is a new publication created by City & Guilds, in collaboration with the Institution of Engineering and Technology. It is an exam practice guide, intended to help candidates of the City & Guilds Level 3 Certificate in the Requirements for Electrical Installations (16th to 17th Edition Update BS 7671:2008) to prepare for the exam. This book sets out methods of studying, offers advice on exam preparation and provides details of the scope and structure of the examination, alongside two sample exam papers with answers and references to the relevant section of the IEE Wiring Regulations. Used as a study guide for exam preparation and practice, it will help you to reinforce and test your existing knowledge, and will give you guidelines and advice about sitting the exam. City & Guilds is the UK's leading provider of vocational qualifications, offering over 500 awards across a wide range of industries, and progressing from entry level to the highest levels of professional achievement. With over 8500 centres in 100 countries, City & Guilds is recognized by employers worldwide for providing qualifications that offer proof of the skills they need to get the job done.
