## RS Pro Multi Level Terminal Block, CTL series, 2.5mm<sup>2</sup>, 24 V, Red

RS Stock No: **796-1000**

### Product Details

RS Pro multi level terminal block in red colour, is a triple level terminal block with an additional connection for earthing cables. It has a voltage rating of 24 V and is suitable for 2.5 mm<sup>2</sup> wires. This block is an excellent choice for control systems where sensor and actuator applications are involved.

### Features and Benefits

- Triple level terminal block with an additional connection for earthing cables
- Ideal choice for control systems where sensor and actuator applications are involved
- The simplified three level connections tremendously increase wiring density in the circuit

**Specifications:**

Cable CSA	2.5 mm <sup>2</sup>
Colour	Red
Voltage Rating	24 V
Standards Met	RoHS Compliant
