Datasheet

RS Pro Male VGA Plug to Female VGA Socket Video Cable Assembly, 2m

RS Stock No: 202-694

Features and Benefits

- RS Pro Male to Female
- Cables for monitor connection to a graphics card, VGA splitter or amplifier
- 26 AWG cable
- PVC moulded & aluminium foil
- Screw locking mechanism
- Length 2m
- HD15 connectors
- RoHS Certificate of Compliance

Application Information

VGA cables are a vital component when setting up computers to monitors, projectors and high definition television sets. On laptop computers or other small devices a mini-VGA port may be required in place of the full-sized VGA connector.

Specification

Attribute	Value
Connector A	VGA
Connector B	Female VGA
Connector A Type	VGA
Connector B Type	VGA
Connector A Gender	Male
Connector B Gender	Female
Length	2m
Current Rating	2 A
Cable Type	VGA
