

# MX™400 Performance Laser Mouse

Accept no compromises. Extreme laser precision and control meets advanced comfort and convenience.

## Overview

### Precision

Go where you want to go.

- **Advanced Laser Engine:** Experience extreme accuracy and flawless tracking on virtually all surfaces.
- **Tilt Wheel Plus Zoom™:** Scroll side-to-side. Effortlessly zoom in and out of photos and spreadsheets.

### Convenience

Simplify life.

- **Forward/Back Buttons:** Accelerate browsing of Web pages and documents.
- **Mac and PC Compatible:** Work or play on your system of choice.
- **Easy Setup:** Just plug it into a USB or PS/2 port.

### Comfort

Work happier.

- **Soft-Touch Sides:** Makes holding a mouse effortless.
- **Contoured Shape:** Enjoy an easy, natural grip that reduces fatigue.
