

### Main

Range of product	Canalis
System destination	KN
Product or component type	Tap-off unit
Product specific application	For fuses
Trunking rated current	16 A
Tap-off unit polarity	L+N+PE
Tap-off unit disconnection mode	By drawing out
Electrical connection	Cable clamp terminal
Cable stiffness	Flexible 4 mm <sup>2</sup> Rigid 6 mm <sup>2</sup>
Fuse type	Cylindrical 8.5 x 31.5 mm NF

### Complementary

Colour	White
Colour code	RAL 9001

### Environment

Standards	IEC 60439-2
RoHS EUR conformity date	4Q2009
RoHS EUR status	Will be compliant
