RS Pro Crimp Tool

RS Stock No: **472-6734**

Product Details

RS Pro crimp tool features a spring-loaded collet allowing for quick fitting of the blades. It is suitable for terminating wire to both Krone and 110 IDC blocks. The removable double-ended blades allow for punch down action on one end and punch down/cut on the other. One blade can be stored within tool body.

Features and Benefits

- A spring-loaded collet allowing for quick fitting of the blades
- Suitable for terminating wire to both Krone and 110 IDC blocks
- One blade can be stored within tool body
