

Pat Adapter 1

- converts your 17th edition multifunction or insulation / continuity tester into a PAT tester

Covers all the mandatory tests demanded by the Code of Practice.

The Pat Adapter enables all the following mandatory tests to be undertaken

▲ **Class I**

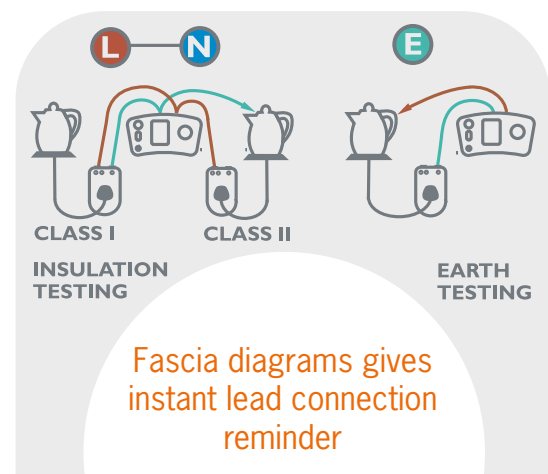

- Earth Bond
- Insulation

▲ **Class II**

- Insulation

▲ **Extension leads**

(in conjunction with a kewtech R2)

Works with all testers that use 4mm test leads including Megger and Fluke
