RS Pro LED Strip Light, 230 V ac, 3000K, with Clear Diffuser

RS Stock No: **701-2861**

Product Details

RS Pro LED strip light uses clear diffuser to deliver colour temperature up to 3000K. It has a voltage rating of 230 V ac. This ultra-slim, low profile, linkable, low power LED strip lighting forms a direct replacement for your existing T4 fluorescent lighting. This light offers brilliant protection by using internal fuse.

Features and Benefits

- Low power consumption
- Up to 10 years continuous operation
- Cool running
- Integral on/off switch
- Internal fuse protection
- Easily "daisy chained" together using link cables

Specifications:
