Anti Slip safety solution - Blk/Ylw Hazard

## PRODUCT INFORMATION

### Product Description

tesa®'s Anti Slip Professional range is for use wherever safe footing is required. Anti Slip black/yellow is the ideal prevention of slipping and therefore helps to avoid accidents in the workplace. The very good adhesion of the product makes it suitable for demanding surfaces such as factory floors etc. The strong and durable adhesive coating provides a high Anti Slip effect for up to 1- 2 years in normal use areas. The Anti Slip tapes are hand tearable and no shrinkage occurs after application.

### Main Application

Everywhere safe footing is required.
