

Datasheet

RS Pro 90578, Fuse Terminal Block, DDF Series

RS Stock No: **796-1072**

Product Details

RS Pro fuse terminal block has a fuse carrier link on the top level and a separate feed through terminal connection at the lower level: this eliminates the use of additional terminal blocks. This double level terminal block is used in electrical and control systems which require fuse protection. The DDFL series of double level fuse terminal block accepts industry standard 5 x 20 mm glass cartridge fuses.

Features and Benefits

- Rated voltage 800 V
- Rated current of 6.3 A
- Tightening torque of 0.5 Nm
- Polyamide housing

Specifications:

Accessory Type	Fuse Terminal Block
For Use With	Electrical & Control System
Colour	Grey
Material	Polyamide
