## RS Pro DOMINO Series, IP66 Red 3P+N+E RCD Industrial Power Connector Socket

Stock No: 410-185

### Product Details

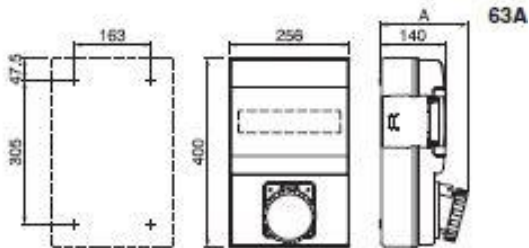

A versatile series of socket outlets for when safety and reliability are a priority, these RS Brand pre-wired combination units are RCD protected.

Modules are available with single or double sockets and have a standard sensitivity of 30mA/30ms. Units are available as IP44 (splash proof) and have a lockable protection window on all variants to enhance safety.

## Features

- Pre-wired
- ABB modular devices

## Dimensions

		A
63A	2P+E	185
	3P+E	185
	3P+N+E	185

## Specifications

Current Rating:	63A
Pole Format:	3P+N+E
Plug/Socket:	Socket
Voltage Rating:	400 V
Colour:	Red
IP Rating:	IP66
Gender:	Female
Termination Method:	Pre-Wired
Series Number:	671.6317-RW
Series:	DOMINO
