Datasheet

RS Pro 1/2 to 2 in BSP Die Set

RS Stock No: **792-002**

Product Details

RS Pro die set is a portable threading machine. It is a threaded kit for threading 1/2 to 2 Inch pipes with right hand BSP threads. It is supplied with complete 6 heads (with dies), 1 reducer and 1 stabilizer in a fitted metal case. The bi-directional rotation allows threading in both directions without moving. It has gear reduction system that prevents overheating.

Features and Benefits

- 1100 W motor
- Interchangeable carbon brushes
- Mechanical feed reverser
- Blocking vice with stabilisation bar
- Double insulated motor
