

Design-Kit for Power Chokes Texas Instruments

Characteristics :

- Order Code: 744 728
- Assortment with SMD Power Chokes
- Large spectrum of types and values
- 5 different types, 35 values and 176 components clearly arranged in a sample case

Applications :

- Suitable for switching power supplies of Texas Instruments
- Support for the Software SWIFT through suitable inductor equipment

Description	Order Code	Qty.
WE-HC, 0.25 μ H	744 312 025	5
WE-HC, 0.67 μ H	744 315 067	4
WE-HC, 1.20 μ H	744 315 120	4
WE-HC, 1.80 μ H	744 318 180	4
WE-HC, 2.70 μ H	744 318 270	4
