

## Product Information. **PRODUCT CODE: N68233**

Pal Slip Resistant Overshoes have been developed specifically to provide the user with maximum grip under both wet and dry conditions. Friction tested on a variety of floor surfaces including clay and vinyl tile, polished wood and carpet, the overshoes are independently certified as slip resistant. They are made from a durable nonwoven upper with an elasticated ankle and embossed Latex/PE sole offering durability, comfort and grip. They are available in white with blue soles, and one size fits all.

### Areas Of Use:

Suitable for use in a wide range of environments, including food production, medical, industrial and leisure; the overshoes provide protection for the environment and the user. Popular for use in hazardous areas where there is a high risk of slipping, these overshoes provide the highest level of protection for the user.
