

## 3M™ Light Vision™ Protective Eyewear, 11489-00000-10 OTG, Clear Anti-Fog Lens, LED Lights 10 ea/case

UPC# 10078371622036 3M Product Number 11489-00000-10 3M ID 70071542925

An illuminating choice for detailed indoor or outdoor work, LightVision protective eyewear features adjustable, hands-free LED lights, while its high wrap lens offers additional coverage. Fits over prescription glasses.

### Benefits

- Hands-free directed lighting
- Ultra-bright, adjustable LED lights
- OTG lens and adjustable temple lengths

### Overview

LightVision protective eyewear is industrial safety eyewear designed with integral hands-free lighting. Now, individuals can see and work in low light or dark environments with ultra-bright, adjustable LEDs on temples. Lights swivel for directional convenience, and long-lasting batteries provide up to 50 hours of continuous use. Also available in a bi-focal reader option for workers who are challenged by small print or detailed work.

- Clear lens.
- Gray frame.
- Polycarbonate lens absorbs 99.9% UV.
- Includes LED lights, microfiber bag and lanyard.
- Meets the requirements of CSA Z94.3-2007 and the High Impact Requirements of ANSI Z87.1-2003.
- 10 safety glasses per case.
