

# HERO+<sup>+</sup>

LCD

All-in-one awesome + touch-display convenience.

## KEY CAMERA SPECS

- 1080p60 / 720p60 fps
- 8MP / 5 fps Burst
- Control / View / Share
- Waterproof to 131' (40m)

Capture incredible moments and relive them on the spot. HERO+ LCD delivers 1080p60 video and 8MP photos, and features the convenience of a touch display. Built-in Wi-Fi and Bluetooth® connect to the GoPro App for shot preview, total camera control and easy content sharing to Instagram, Facebook, and more.

## FEATURES + BENEFITS

### Built-In Touch Display + Speaker

Frame your shots. Easily adjust settings. Play back videos and photos.

### GoPro Video Quality

Records stunning, immersive 1080p60 and 720p60 video.

### Diverse Photo Capture

Captures 8MP single, Time Lapse and Burst photos up to 5 fps.

### Durable + Waterproof to 131' (40m)

Designed to withstand extreme environments and conditions.

### QuikCapture

Power on and record automatically with the press of a single button.

### Built-In Wi-Fi + Bluetooth®

Enables connectivity to the GoPro App or Smart Remote<sup>1</sup> to adjust modes and settings, control the camera remotely, and view and share your content.

### Built-In Video Trimming

Lets you create short video clips during playback for quick and easy sharing.

### HiLight Tag

Mark key moments while recording or playing back video to make them easier to find later.

### Wearable + Mountable

Compatible with most GoPro mounts for immersive self-capture during your favorite activities.<sup>2</sup>

### SuperView™

Captures the world's most immersive wide-angle field of view.

### Auto Low Light

Automatically adjusts frame rate for optimal low-light performance.

### Ultra Wide-Angle Glass Lens

Captures sharp, engaging footage of you and your world.

### Built-In Microphone

Record audio with the built-in microphone. The included Skeleton Backdoor enables enhanced audio capture in dry, dirt-free environments.

### Integrated Camera + Housing Design

Camera is built directly into the housing for simplicity and ease of use.<sup>3</sup>

### Small + Lightweight

Small, compact design for easy portability and mounting. Weighs just 4.5 oz.

### External Memory

Supports microSD cards at least Class 10 or UHS-I up to 64 GB.<sup>1</sup>

### Long-Lasting Battery

Offers approximately 2 hours of recording time.<sup>4</sup>

### GoPro App + GoPro Studio

Control your camera remotely. View and share your content. Easily create gorgeous GoPro-style videos.
