

Pure Dex Nylon[™]

Passes the inspection

Pure Dex Nylon[™] is a seamless knitted nylon inspection glove. This extremely comfortable glove has been designed to be close fitting for maximum dexterity making it ideal for the most tactile of applications. It is light and breathable which allows for easy movement and continuous wear without irritation. The elasticated knitted wrist provides a secure fit and keeps hands free from dust and dirt. Low-linting and clean room compatible to class 1000, it reduces the risk of product contamination making it ideal for handling small components.

Typically used for:

- Component Handling
- Product Inspection
- Electronics
- Automotive Manufacturing
