

Scotch-Brite Ô

Ref 650 and Ref 630

Green Commercial Care Scouring Web for general purpose cleaning (in Roll form)

Technical Data

TD 201

Date : November 98

Supersedes : October 95

Author : PL

Description :

Same product as Ref. 96, but in roll form.

Thin green general purpose cleaning and scouring hand pad, made of high quality synthetic fiber forming an open textured non-woven web, having abrasive cleaning particles evenly dispersed throughout and bonded to the web with a durable resin.

Product Advantages :

- Excellent scouring performances, can remove baked food.
- Conformable, can reach awkward places, corners.
- Open web, easy to clean.
- Doesn't keep or release harmful ingredients.
- Can work in hot water and usual cleaning chemicals (shall not be significantly affected by hydrocarbon solvents).
- Very good lasting.
- Consistent performances over the life of the pad.

Where and When to Use :

The product can be used wet or dry for scouring cookware pots and pans, for cleaning broilers

and most equipment in the kitchen. It is also used for a variety of hand cleaning jobs in the industry, buildings,... (scrubbing floors, stairways, desks, counters, ...)

The Scotch-Brite™ Ref.. 650 & Ref. 630 is a medium aggressive web and should be used on surfaces not damaged by scratching.

Maintenance :

- Rinse the web after each use under tap water.
- If needed, remove deep embedded soil by brushing the pad with a nylon brush, or soak in a cleaning solution to dissolve cooked-on soil.

Product Characteristics :

Property	Nominal Value
Weight	580 g/sqm
Thickness	8.5 mm
Size :	
• width :	158 mm
• length :	3 m for Ref.630 5 m for Ref.650
Printing	White 3M in one side
Color	Dark Green
Aggressiveness [←]	3.1 g removed
Composition :	• Nylon fiber • Dedicated

	mineral
	• Polymer resin

[↖] Schiefer test on acrylic plate material (after 5000 revolutions with a new pad)

Packaging :

- 6 rolls per case
- Case gross weight :
Ref 630 = 2,35 kg
Ref 650 = 3,40 kg
- Case cube :
Ref 630 = 41 dm³
Ref 650 = 63 dm³
- Palletisation
Ref 630 = 12 cases per europallet
Ref 650 = 18 cases per europallet

Labeling :

- Multilingual
- One carton label stapled at roll end

Product Origin :

Made in France or Spain, in ISO 9002 certified manufacturing sites.

Source of Supply : 3M France, S.O.A.
