## DECLARATION OF CONFORMITY

*In accordance with EN 45014:1998*

We **NITECH LTD**  
of 4-6 Highfield Business Park, Churchfields Industrial Estate,  
St Leonards on Sea, East Sussex TN38 9U

declare that:

Product Portable Rechargeable Floodlight

Model Name Aurora 01 & Aurora 02

In accordance with the following Directives:

2006/95/EC The Low Voltage Directive 2004/108/EC The Electromagnetic Directive

has been designed and manufactured to the following specifications:

EN 55014-1:2001 EN 55015:2001 EN 60598-2-4:1998 EN 60335-2-29:2004

This product has been assessed and tested for Ingress Protection and Environmental Performance according to the IEC Standard 60529-EN60529/EC529 and has been rated IP68. In accordance with the ancillary provisions of this standard, the Aurora has not been designed for continuous submersion, but is fully protected against the occasional flood situations that may be encountered in general use.

I hereby declare that the equipment named above has been designed to comply with the relevant sections of the above referenced specifications. The unit complies with all essential requirements of the Directives.
