Datasheet

RS Pro 90578, Separator, PP6 Series

RS Stock No: **834-8338**

Product Details

RS Pro separator is used to segregate different groups of terminal blocks and provides the required creepage and clearance values in an assembly. Partition plate electrically isolates adjacent shorting links. It also provides a separation between terminal blocks of different potentials. It is suitable for use with DIN rail terminal.

Features and Benefits

- Suitable for use with DIN rail terminal
- Electrically isolates adjacent shorting links
- Provides a separation between terminal blocks of different potentials

Specifications:

Accessory Type	Partition Plate
For Use With	DIN Rail Terminal
