MAGCHARGER® LED torch, charging cradle, NiMH rechargeable battery pack, 12V car charging adapter, UK wall plug.

## PRODUCT CODES

**BOXED:**  
BLACK – RL4019

## DESCRIPTION

The new MAGCHARGER® LED is the most powerful torch in the range, and is the successor to the popular original MAGCHARGER®. Besides including the latest LED technology, this torch also features plenty of other enhancements: improved battery life, improved recharging efficiency, improved

focusing system, an electronic switch, new ECO mode, and distinct function sets for different users (General/Outdoor/Law Enforcement/Tactical). The MAGCHARGER® LED comes with a charging cradle and multiple cable options for charging at home, at work or on the road.
