

Datasheet

RS Pro Black Self Amalgamating Tape

RS Stock No: **494-685**

Product Details

RS Pro butyl rubber-based self amalgamating tape in black colour, is suitable for insulation, filling voids and irregular shapes in joints. The tape measures 38 mm x 1.5m. This tape provides moisture-proof seals on telecommunication cables, insulation and cable sheaths, joints and terminations and for split bolt connections.

Features and Benefits

- Butyl rubber-based self amalgamating tape
- Excellent conformability, easy compressed and moulded by hand
- Will not corrode copper
- Dielectric strength: 16kV/mm
- Measures 38mm x 1.5m

**Specifications:**

Application	Telecommunications, Insulation & Cable Sheath, Joints & Terminations, Split Bolt Connection
Backing Material	Butyl Rubber
Colour	Black
Breakdown Voltage	48000 V
Length	1.5 m
Maximum Operating Temperature	+80°C
Minimum Operating Temperature	-30°C
Tensile Strength	6 N/cm
Thickness	3 mm
Width	38 mm
Operating Temperature Range	-30 to +80°C
