## SPECIAL EDITION

Convenient installation accessories for Ty-Rap® UV-stabilised coloured cable ties!

### Ty-Rap® cable tie installation tool

Increased productivity and decrease user strain

- Lightweight, balanced ergonomic design for user comfort
- 360° rotating nose enables operation from any position – no twisting of the hand required
- Front-access tension-adjustment wheel permits fast, easy changes
- Anti-recoil mechanism reduces shock and vibration to hand and wrist
- Adjustable grip span fits large or small hands
- Offers lowest handle force with highest tension of any hand-operated cable tie installation tool on the market
- Longest stroke length on the market – a full 1" – means fewer hand-tensioning cycles to save time and lower installation costs
- Flush tail cut-off eliminates sharp ends that can injure hands or damage cable jackets
- Cleanly cuts and holds tails captive until ejected by user – no mess to clean up

### Ty-Rap® tote cable tie dispenser

Puts easy access to cable ties at your fingertips!

- Offers easy, one-handed access to cable ties
- Durable, lightweight polyester exterior and tough vinyl interior
- Rugged cut-out for easy access to cable ties
- Handy belt clip and chrome steel loop for easy attachment
- Resealable hook-and-loop flap for easy refill
- Comes with 100 genuine Ty-Rap® natural nylon cable ties
