

QuickCam® Deluxe for Notebooks

Home Webcams + Communications > Webcams > **QuickCam® Deluxe for Notebooks**

Powerful portable notebook video with stylish looks and performance to match.

Overview

Clarity

- **Glass-element lens:** Unsurpassed image quality with adjustable focus and up to 1.3 megapixel** resolution.
- **RightLight™ Technology:** Capture fine details, even in dim, side- or back-lit situations.
- **High quality integrated mic:** RightSound™ Technology eliminates echo and reduces background noise.

Mobility

- **Free travel case:** Protect your investment while you're on the road.
- **20mm adjustable clip:** Attaches to multimedia and widescreen notebooks.

Fun

- **Logitech® Fun Filters:** Change your image by applying special effects like 'Chalk' or 'Music Video.'
- **Snapshot button:** Makes taking digital stills quick, easy and convenient.
- **Activity light:** Lets you know when you're 'live.'

Video Instant Messaging

Online communication has never been easier or more entertaining. Keep in touch with family, friends and co-workers by adding live video and audio to these popular Instant Messaging applications.
