Datasheet

PVC 5m Long transparent Flexible Ducting Reinforced, 95mm Bend Radius , Applications Food Suction, Liquid

RS Stock number 3621975

Features

Heavy Duty, Steel-reinforced (Non-Toxic) PVC Suction and Delivery Hose

Steel spring helix in a thick non-toxic flexible PVC

High impact, abrasion, chemical and weathering resistance

Suitable for high vacuum applications in food and non-food industries

Equally suited to dry or liquid transfer applications such as alcohol up to 28% by volume, vinegar and drinking water

Note

All data refers to performance at 18°C. Any changes in temperature will affect the performance data.
