

Datasheet

TEST LEADS 5000V

Crocodile clips and high voltage leads

Crocodile clips for use up to 5000 V.

The leads are fitted with a connector featuring a 4 mm safety banana plug at each end.

These accessories are intended for measurements up to 5000 V.

Maximum allowable current:	10 A
Operating voltage:	5000 V max. in accordance with IEC 1010 pollution level 2
Max. opening of crocodile clips:	20 mm
Length of connection leads:	1 metre

Specifications

Colour	Red/Black
Connector Size	4mm
Connector Type	Banana plug
Current Rating	10A
Length	1m
Voltage Rating	5000V
