IMPORTANT INFORMATION PROVIDED TO USERS

This product should be worn properly at all times in noisy surroundings. The earplugs should be fitted, adjusted and maintained in accordance with instructions provided on the packaging. If the recommendations are not adhered to, the protection afforded by the product will be severely impaired. This product may be adversely affected by certain chemical substances; avoid the use of agents (i.e. solvents and other disinfectants) that are known to be harmful to the wearer and/or the earplug. Regularly inspect for tears or cracks and replace if serviceability is suspected to be affected. Corded earplugs should not be used where there is a risk that the connecting cord could be caught up during use. In case earplugs are intended for more than one use, use antimicrobial wipe or a mild soap and warm water solution to clean and disinfect; rinse and allow to dry naturally. If further recommendation is required, please contact Kimberly-Clark Professional for advice. Use provided re-sealable packaging to ensure hygienic storage.
